

SEPTEMBER 2022

PRESIDENT'S CORNER

Now is the time to look at your credit union in a whole new light. Where and how you bank is critical. We know that you expect your financial institution to have great rates and the right product features. For over 87 years, InFirst FCU has consistently taken on new challenges. Not only were we successful in keeping every InFirst FCU branch open during the pandemic, we even expanded our network by opening four new branches in Fredericksburg, Salem, and Roanoke, VA.

With so many of us examining our lives from a different perspective, ask yourself why is InFirst FCU different? The answer is simple. The InFirst FCU team cares. It's why we were voted as a "Best Credit Union to Work For" for five years in a row, why our staff members continually provide unparalleled service, and why you can trust us to be there for you and your family no matter what challenges come your way.

DON'T BE THE NEXT GIFT CARD SCAM VICTIM!

If someone contacts you to buy Gift Cards for them regardless of the reason, DO NOT DO IT. This is a SCAM.

Fraudsters are gaining access to emails, phone numbers, etc., and pretending to be someone you know and trust.

Did you know?

September is National Preparedness Month. Have you developed an emergency preparedness plan, or if you have one, is it updated?

Start now:

- Duplicate essential tax and financial documents.
- Document your valuables.
- Store those items in a water/fire proof safe or safety deposit box.
- Know where to find information once a disaster occurs.

In the aftermath of a disaster, having the updated documents and other information readily available can help you apply for the relief available from the IRS and other federal agencies. For more information visit [Ready.gov/September](https://www.ready.gov/September).
